ACW NEWS

Our ACW had a meeting on April 21st; many great ideas were discussed, stay tuned for upcoming events. We will be hosting an Information Session on Tuesday May 28 from 1 to 3. Topic will be MAID, (medical assistance in dying)

We are collecting 6 inch black plastic take out containers; they will be used to go under the pots of plants on the church window sills. We are still collecting large milk bags; there is a box at the back of the church. Don't forget about our library, all books and puzzles are gratefully received. Have a look!!!!

WELCOME HOME

Welcome home Pam and Emil, hope you had a wonderful winter break and are all rested up

Happy to report, the new sound system is up and running and Oh Boy it's great, The old system is being installed downstairs and will be a good feature for renting that space. Thank you Alan for overseeing the installation. A hand rail extension is being added to the back stairs and another one in the small washroom. Someone wished for name tags, I'm happy to report that wish will be granted. Don't know about you but I struggle to remember names.

The windows are being cleaned May 6.

If you have a wish, jot it down and give it to one of the wardens and they will do their best.

ALTAR FLOWERS

Anyone wishing to have fresh flowers placed on the altar in memory of loved ones, there is a calendar at the back of the church and Pat Plow will contact you to make arrangements. Or you can make a donation to the flower fund and the weeks we don't have memorial flowers, we can buy some.

Church Funnies

The Sunday School teacher was describing how Lot's wife looked back and turned into a pillar of salt, when little Jason interrupted, "My Mommy looked back once while she was driving," he announced triumphantly, "And she turned into a telephone pole!"
